Did you know?

In the past, women's clothing often had auspicious symbols sewed on it, usually in the form of flowers, plants, or animals. Use this simple cube game to discover more about these traditional outfits.

Ways to play

- 1 Toss the cube and say the name of the costume.
- 2 Find the clothing in sequence from 1 to 6 and you will see how the costumes have changed over the years.
- 3 Toss the cube and search for these costumes in the photographs displayed in the galleries when you see this .
